

Bed Extension Ecofit S Series

- ✓ simple and fast assembly without tools
- ✓ easy to clean

The bed extension extends the lying surface of the Ecofit S series by 20 cm. In this way, a care bed with a total length of 220 cm is offered to tall patients.

Features

- extension of the bed by 20 cm
- possible widths 90 cm, 100 cm and 120 cm
- secure positioning with pull latches and locking bolts
- all metal work is powder coated in RAL 9023 (pearl dark grey)
